

Sponsorship That Makes A Difference!

Community Living Access is in the process of compiling the 2024 Lottery Cash Calendar. Our **ROBUST Sponsorship Program** provides businesses and organizations high profile ways to support individuals with Developmental Disabilities.

We would be honoured to provide you with additional information on this year's Robust Sponsorship Opportunities and other ways you can support this vital and important initiative.

All proceeds from our fundraising events will assist: CL Access to provide Independent Facilitation and Planning for Families; Support our Financial Assistance Fund, a fund that enables us to offset transportation, utility and assistive device costs; and provide extra support that individuals would not otherwise have access to. Your Sponsorship and/or your charitable donations, in-kind product or service makes a substantial difference in the lives of the individuals we support.

We are inviting you today to consider assisting our fundraising efforts this year. I would be honoured to review the various options with you. If you wish more information, please feel free to contact Don Lawson. Thank you in advance for considering Sponsorship and / or making Charitable Donation.

For the 2024 edition, we aim to capture the heart and soul of Norfolk County by showcasing the favourite spots chosen by the residents. Do you have a favorite spot, hidden gem, or activity that makes our communities so special? We'd love to hear about it and possibly feature it in our 2024 Lottery Cash Calendar! This could be a beach, trail, park or even your own backyard! Together we can create a calendar that showcases our vibrant communities!
